

Ascidias - Tunicados del mar Mediterráneo

Aplidium albicans

Aplidium breviventer

Aplidium coeruleum

Aplidium conicum

Aplidium densum

Aplidium elegans

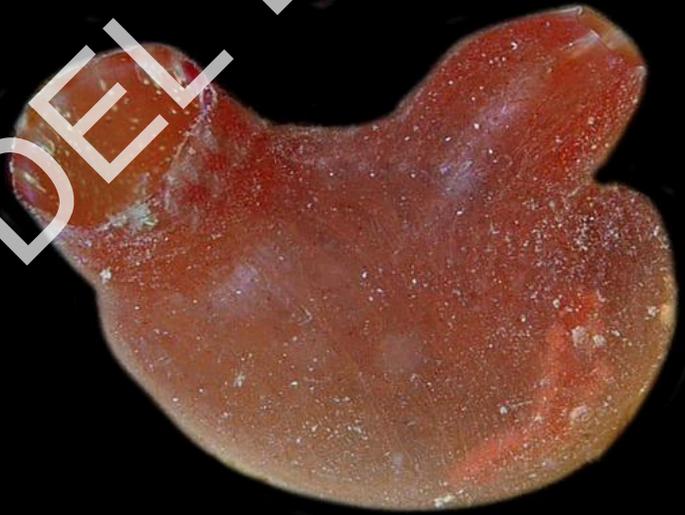

Aplidium multiplicatum

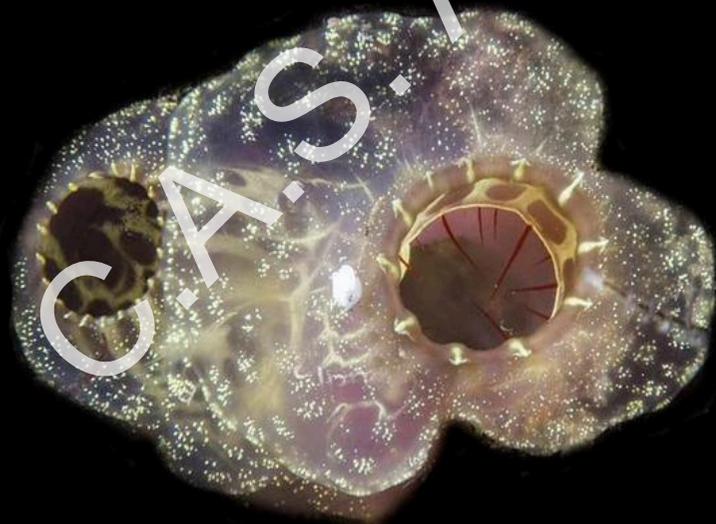

Aplidium nordmani

Ascidia aspersa

Ascidia mentula

Ascidia ornata

Ascidia rubrotinta

Botrylloides anceps

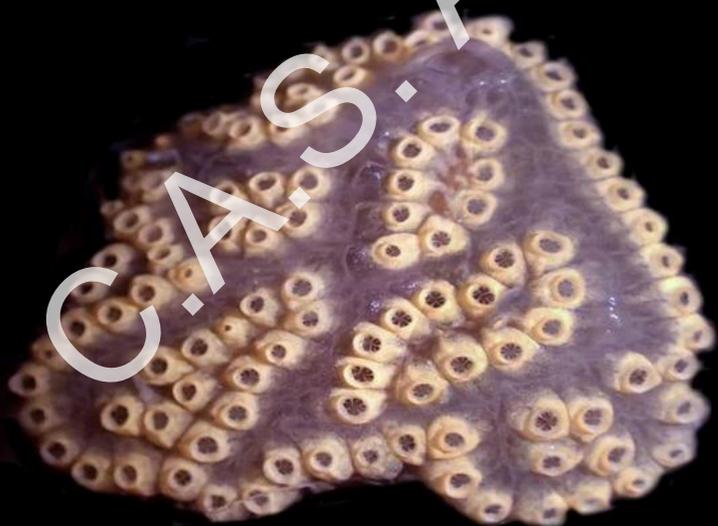

Botrylloides diegensis

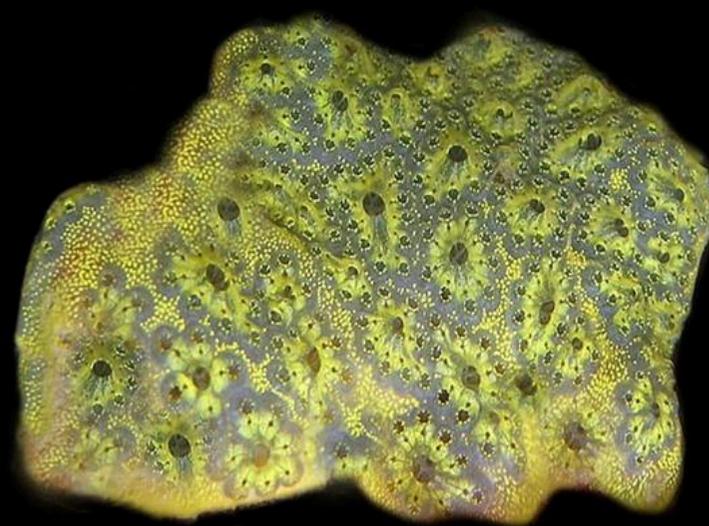

Botrylloides leachii

Botrylloides nigrum

Botrylloides violaceus

Botrylloides schlosseri

Ascidia virginea

Clavelina dellavallei

Clavelina lepadiformis

Clavelina oblonga

Clavelina sabbadini

Diazona violacea

Dinemnum albidum

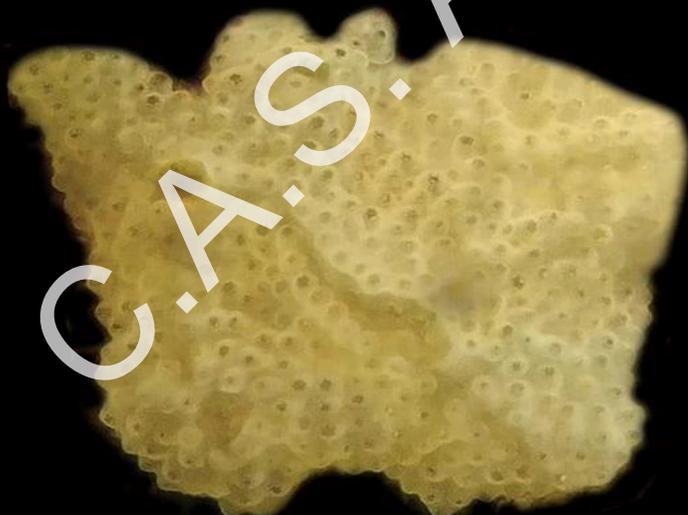

Dinemnum commune

Dinemnum fulgens

Dinemnum coriaceum

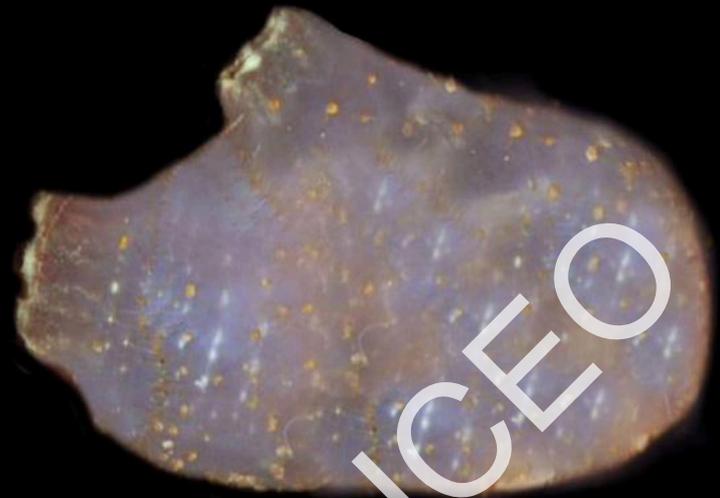

Dinemnum maculosum

Dinemnum membranaceum

Ascidia susac

Ascidiella aspersa

Didemnum cocineum

Halocynthia aurantium

Halocynthia papillosa

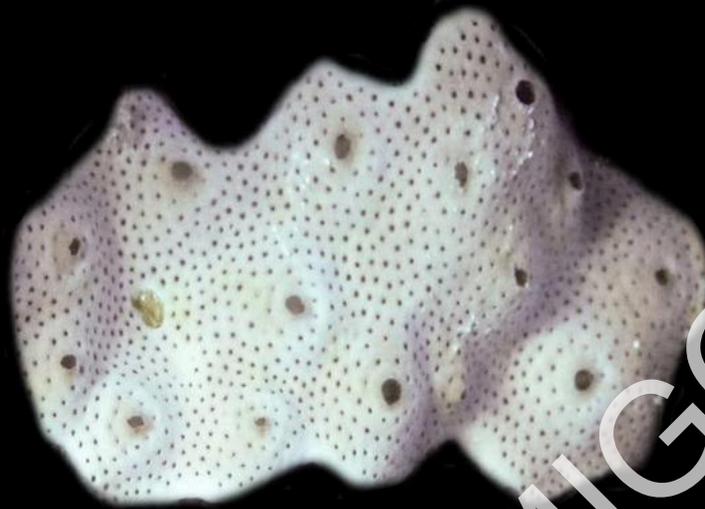

Halocynthia pyriformis

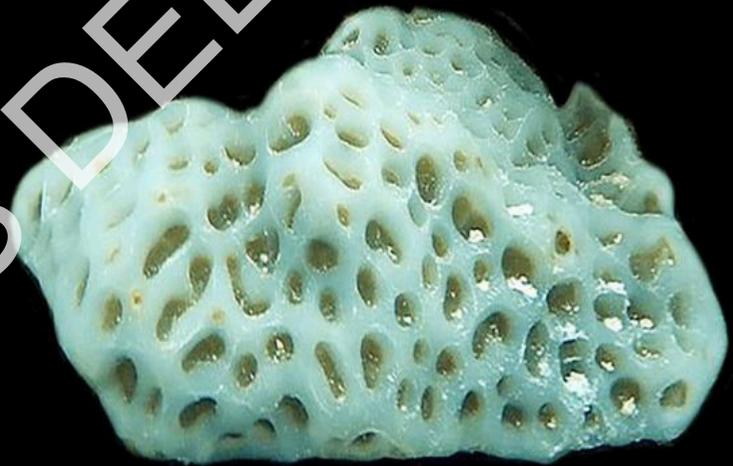

Ciona intestinalis

Dendrodoa grossularia

Lissoclinum fragile

Lissoclinum patella

Lissoclinum perforatum

Lissoclinum weigelei

Microcosmus claudicans

Microcosmus sabatieri

Mogula manhattensis

Phallusia fumigata

Phallusia julinea

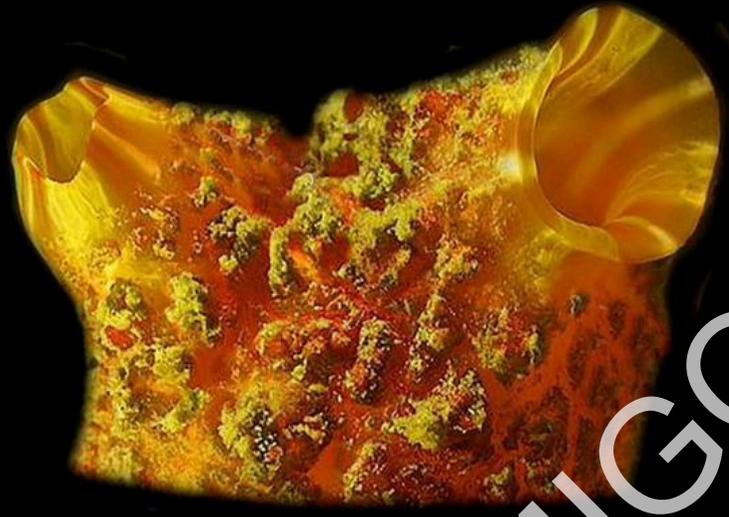

Phallusia mamillata

Morchellium argus

Polycarpa pigmentada

Polycarpa pomaria

Polycitor adriaticus

Polycitor critallinum

Policitor giganteus

Polysyncraton bilobatum

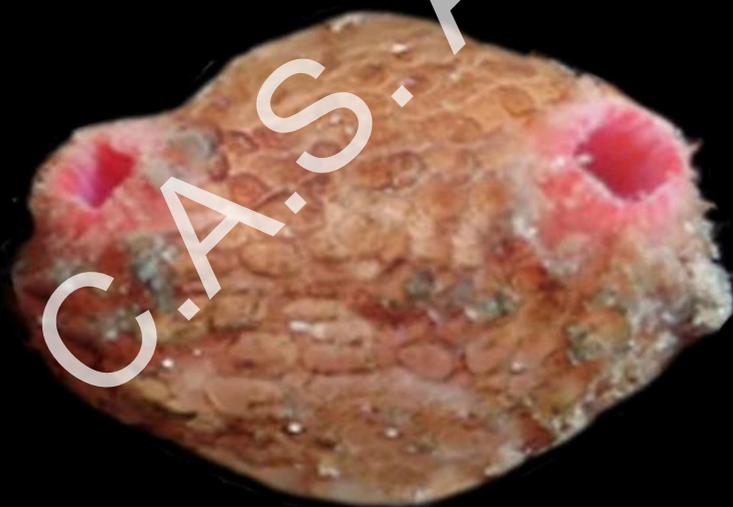

Pyura dura

Pyura haustor

Pyura microcosmus

Pyura squamulosa

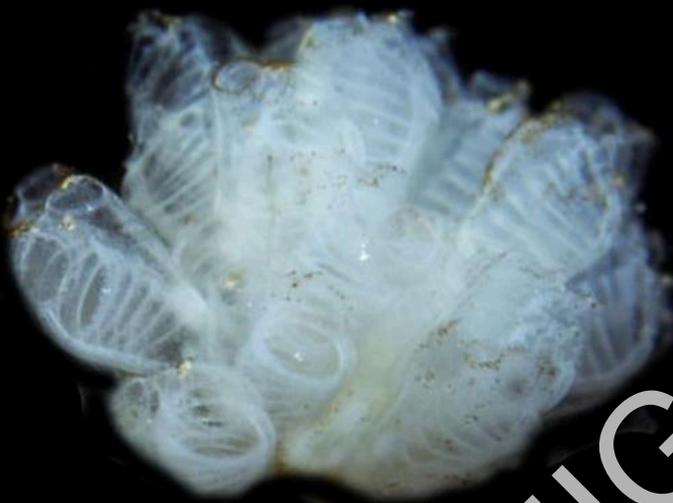

Pyura tessellata

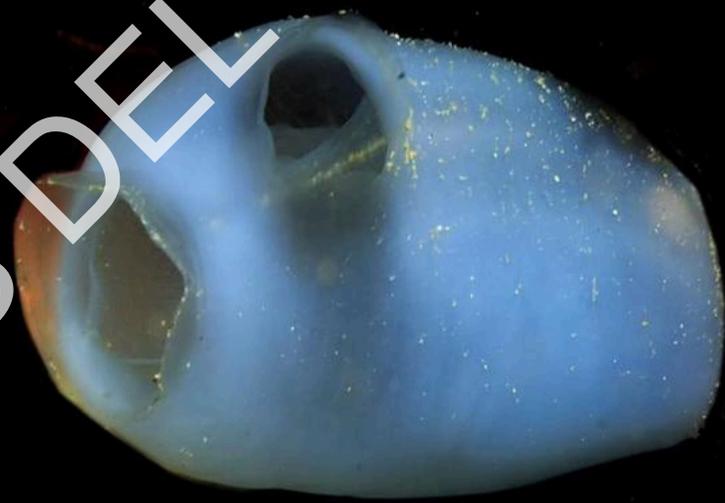

Pseudodistoma fragile

Pycnoclavella aurilucens

Pycnoclavella taureanensis

Rhopalea neapolitana

Sidnyum elegans

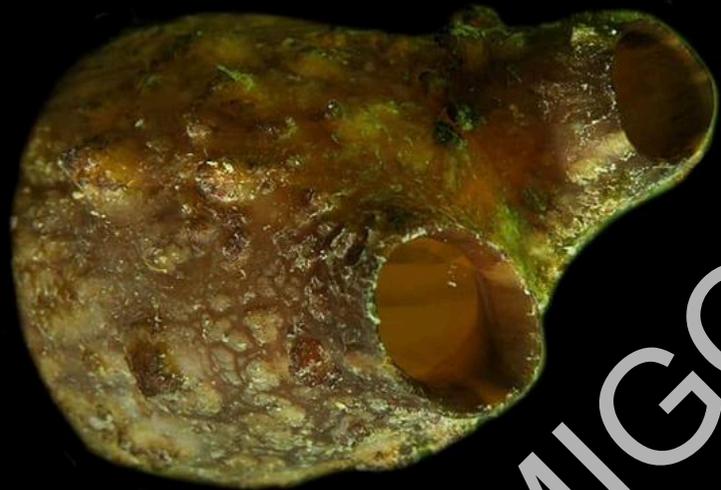

Stolonica socialis

Styela canopus

Styela clava

Styela plicata

Synoicum pulmonaria

Trididemnum opacum

Trididemnum solidum
