

Esponjas del Mediterráneo

C.A.S. AMIGOS DEL BUCEO

Acanthella acuta

Acanthella cavernosa

Acanthella dissimilis

Acanthella klethra

Acanthella lace

Adocia cinerea

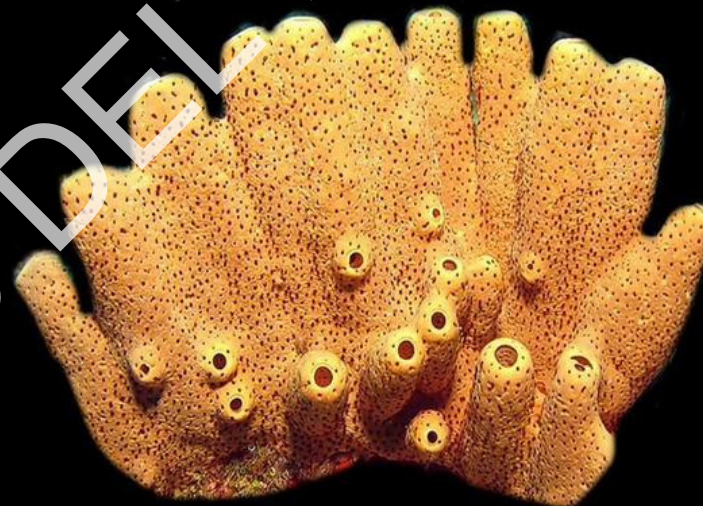

Agelas clathorodes

Agelas conifera

Agelas oroides

Agelas tubulata

Anchione azzura

Anchione rossa

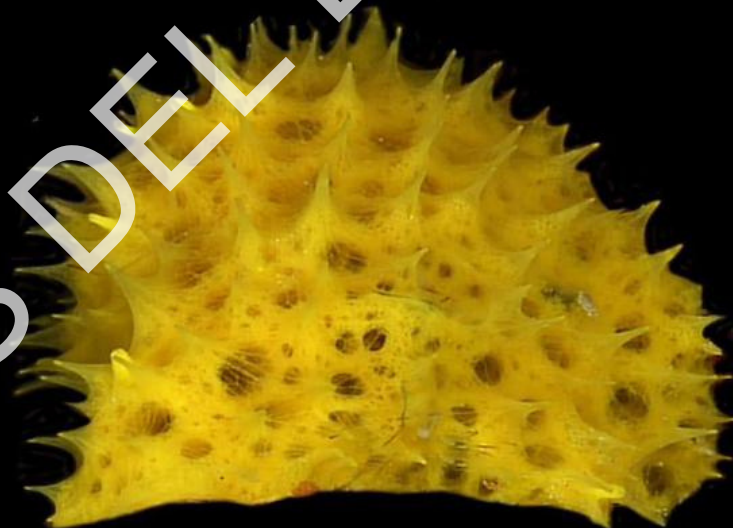

Anchione tenacior

Aplysilla rosea

Aplysilla rubra

Aplysilla sulfurea

Aplysina aeroophoba

Aplysina archeri

Aplysina cavernicola

Aplysina fistularis

Aplysina lacunosa

Ascandra contorta

Ascandra falcata

Axinissa digitata

Axinella cannabina

Axinella damicornis

Axinella dissimilis

Axinella globosa

Axinella polypoides

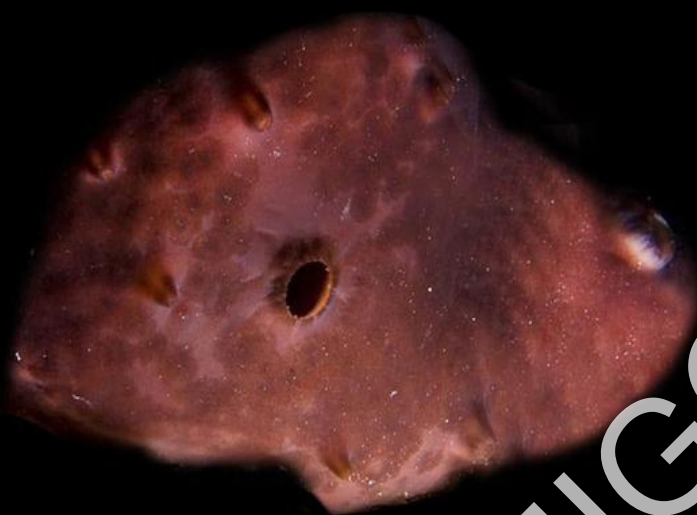

Axinella verrucosa

Borojevia celebrum

Cacospongia mycofijien

Cacospongia scalaris

Calix nicaeensis

Chondrilla nucula

Chondrosia reniformis

Clathria compressa

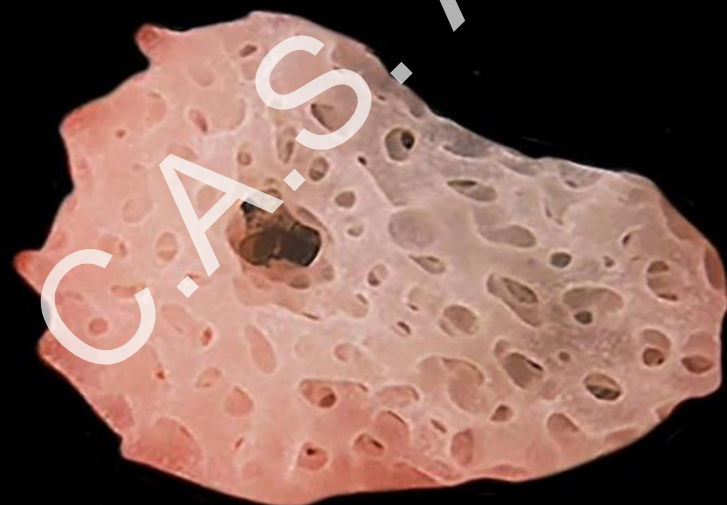

Clathria prolifera

Clathrina clathrus

Clathrina contorta

Clathrina coriacea

Clathrina lacunosa

Clathrina primordialis

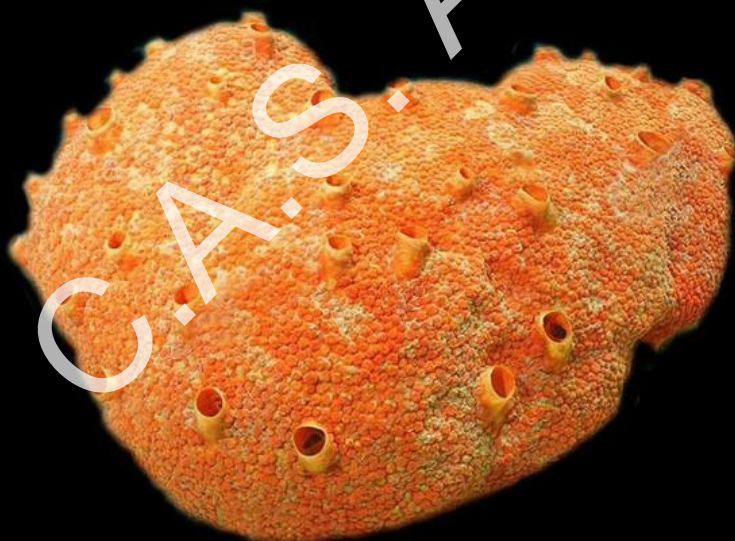

Clathrina rubra

Clathrina cerebrum

Cliona celata

Cliona delitrix

Cliona rhodensis

Cliona schmidt

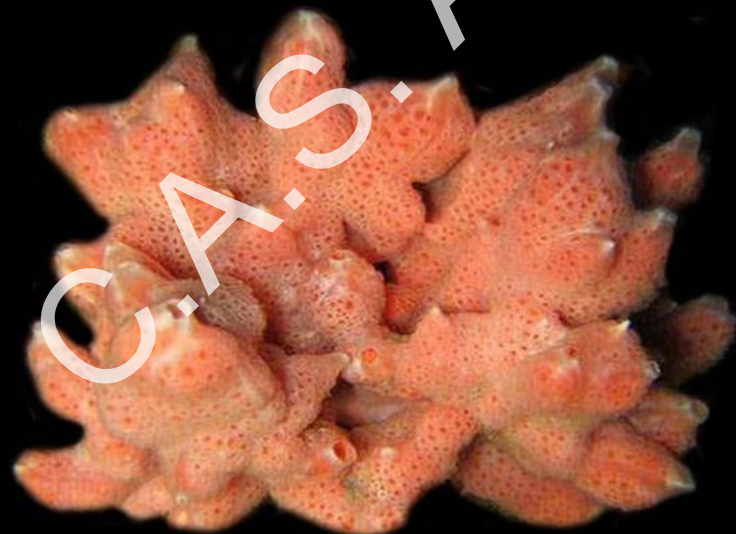

Cliona viridis

Crambe crambe

Crella elegans

Crella pulvinar

Desmapsamma anchorata

Dictyonella incisa

Dysidia ambliia

Dysidia avara

Dysidia fragilis

Halichondria okadi

Halichondria panacea

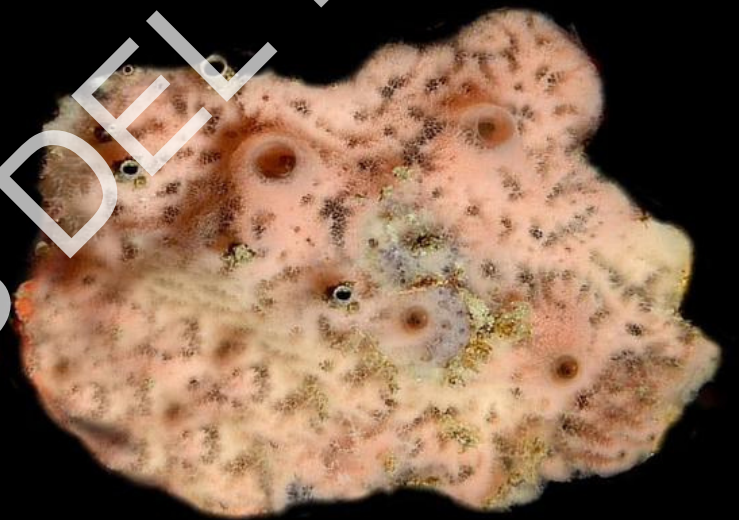

Haliclona fistulosa

Haliclona fulva

Haliclona mediterranea

Haliclona mucosa

Haliclona oculata

Haliclona urceolus

Grantia compressa

Halichondria bowerbanki

Haliclona carulea

Haliclona cinerea

Hamigera hamigera

Heminycale columbella

Hippospongia communis

Hymeniacidon sanguinea

Hymeniacidon pervelis

Ircinia fasciculata

Ircinia oros

Ircinia variabilis

Isodictya palmata

Isodictya rigida

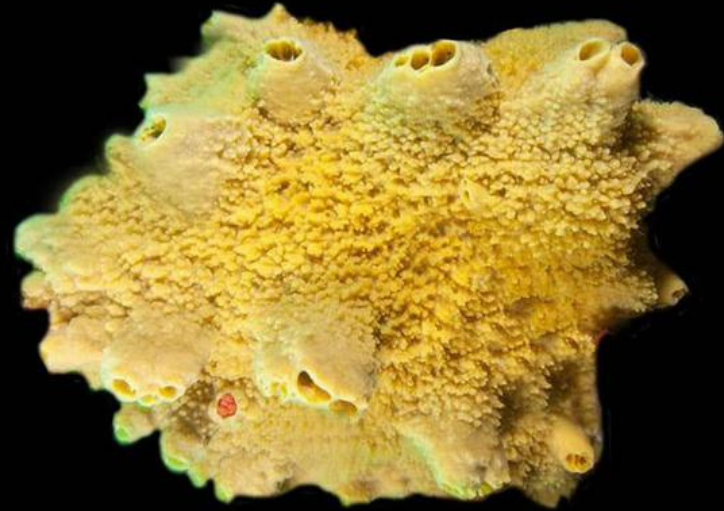

Leucosolenia botryoides

Leucosolenia complicata

Leucosolenia variabilis

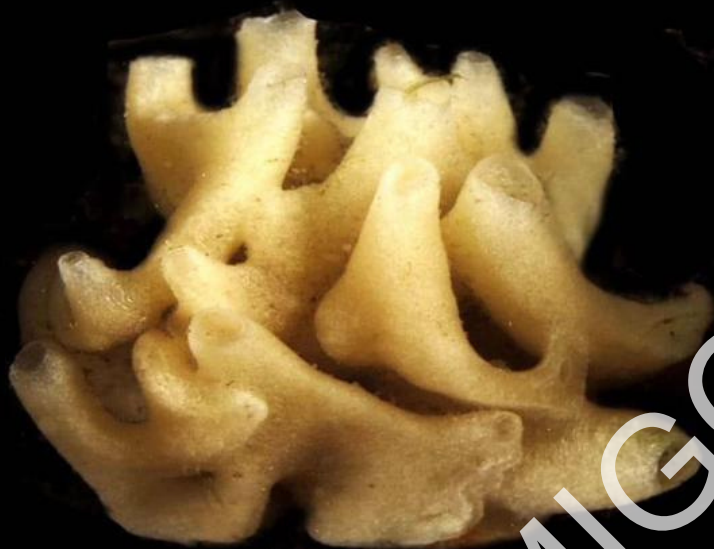

Melonanchora elliptica

Oscarella loburalis

Oscarella rubra

Paraleucilla magna

Pachymatisma johonstonia

Petrosia ficiformis

Phorbas fictitius

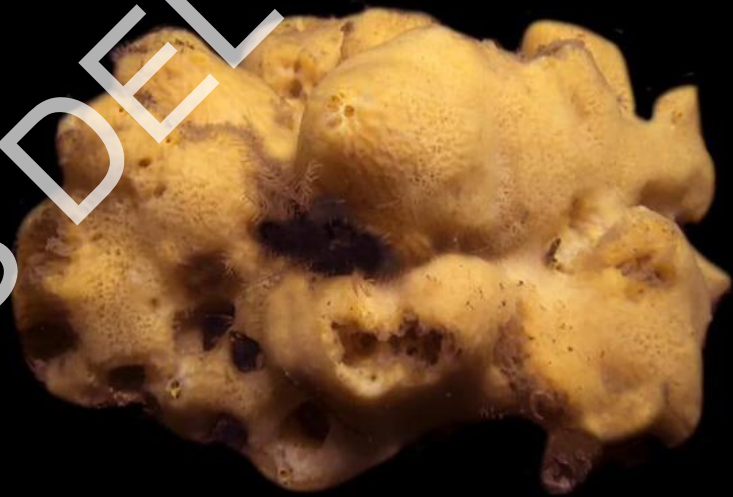

Leucosenia eleanor

Myrmekioderma gyroderma

Myxilla fimbriata

Myxilla incrunstrans

Myxilla rosacea

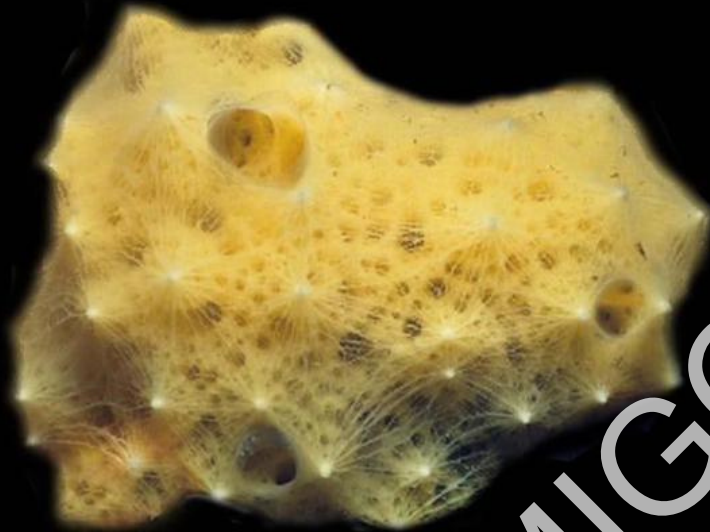

Neofibularia nolitangeri

Phorbas tenacior

Phorbas topsenti

Pleraplysilla spinifera

Polymastia boletiformis

Polymastia penicillus

Polysyncraton lacazei

Raspaciona aculeata

Sacrosargus spinosulus

Scopalina ruetzleri

Spirastrella cunctatrix

Spongia officinalis

Stelligera stuposa

Suberites carnosus

Suberites domuncula

Suberites ficus

Suberites massa

Sycon ciliatum

Tedania pilarrosae

Tedania urgorrii

Tethya aurantium

Tethya citrina

Tethya meloni

Ulosa digitata

Ulosa stuposa
