

Asteroideos del mar mediterráneo

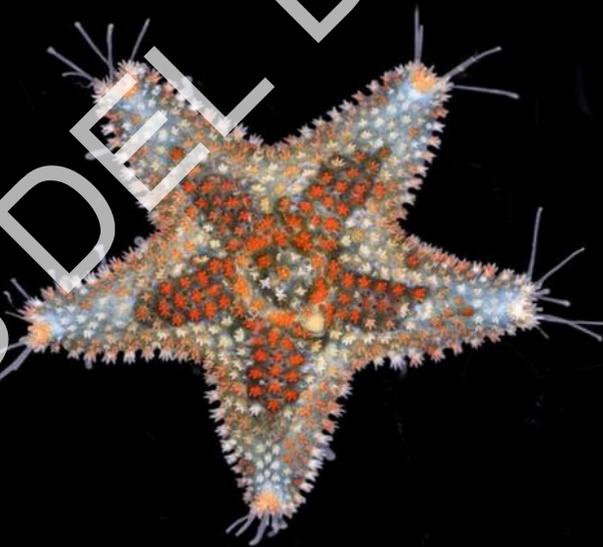

Anseropoda placenta

Asterina gibbosa

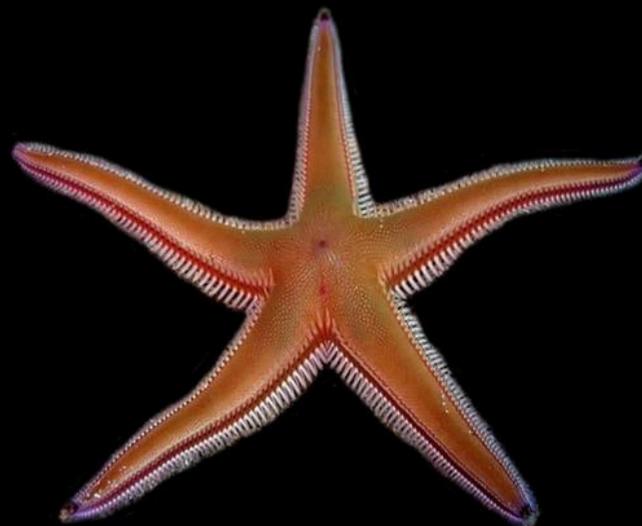

Asterina pancerii

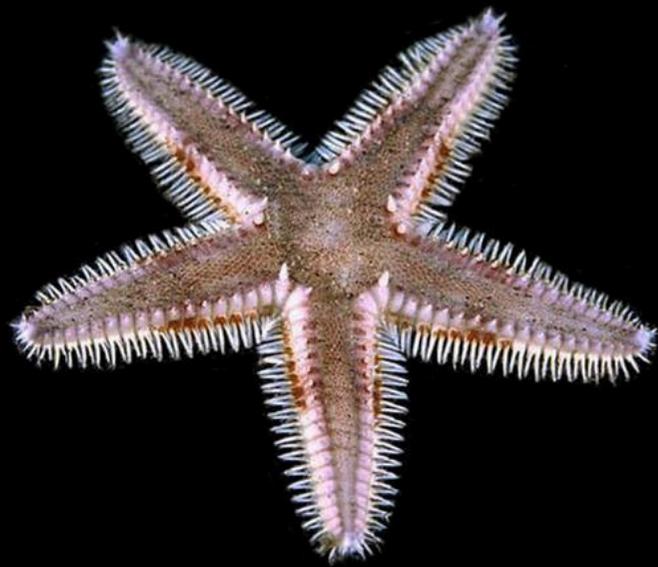

Asterina phylactica

Astropecten aranciacus

Astropecten bispinosus

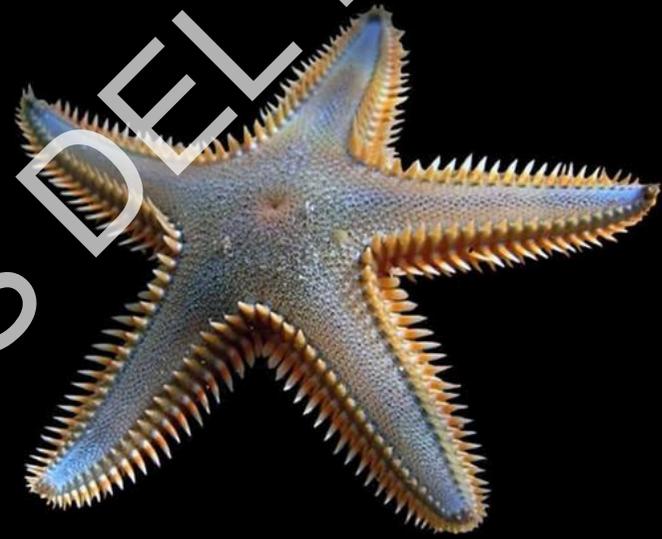

Astropecten duplicatus

Astropecten irregularis

Astropecten jonstoni

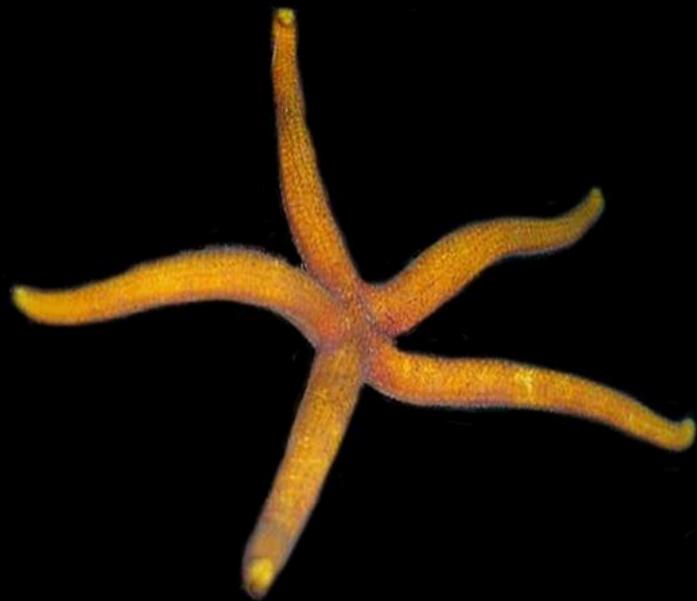

Astropecten platyacanthus

Astropecten spinulosus

Ceramaster granularis

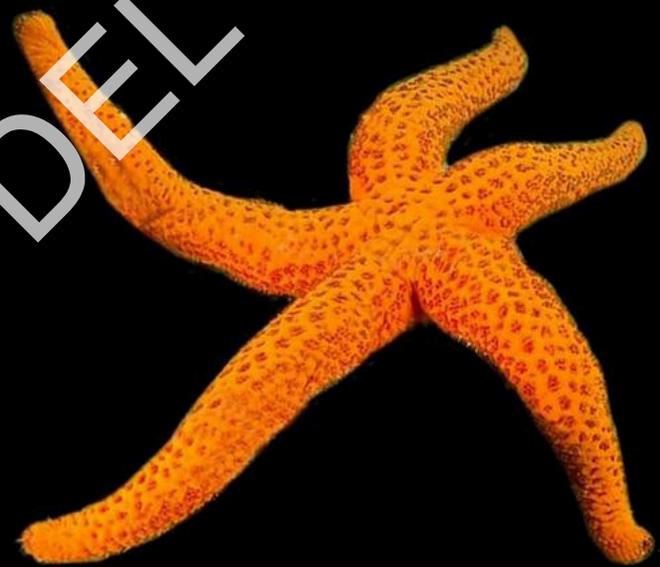

Chaetaster longipes

Coscinasterias tenuispina

Echinaster sepositus

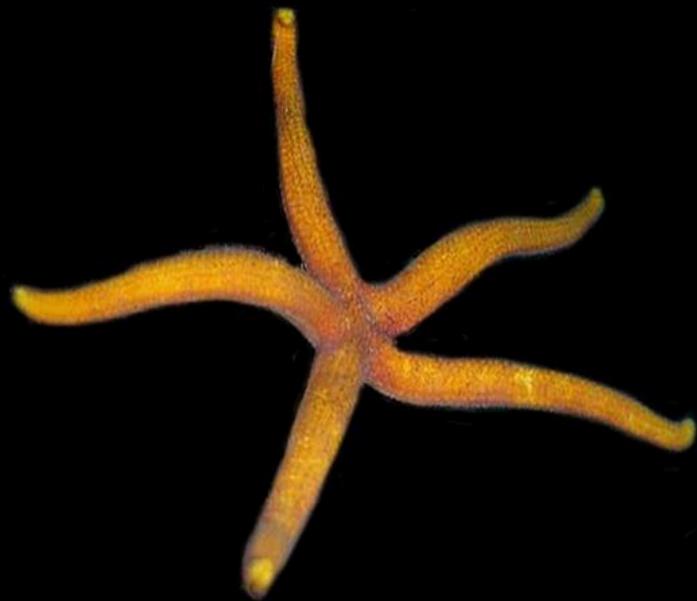

Hacelia attenuata

Luidia atlantidea

Luidia ciliaris

Chaetaster longipes

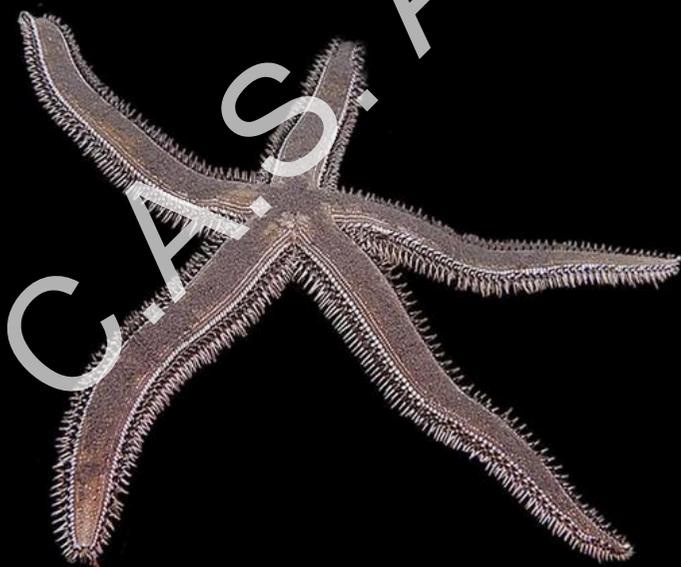

Coscinasterias tenuispina

Echinaster sepositus

Hacelia attenuata

Luidia atlantidea

Luidia ciliaris

Luidia clathrata

Luidia sarsii

Marthasterias glacialis

Ophidiaster ophidianus

Peltaster placenta

Tethyaster subinermis
